F.A.Q./HOW IT WORKS

We've taken over a massive warehouse on Canterbury Road in Kilsyth, Victoria to fill it with antiques, collectibles, jewellery, art, fashion, furniture, man cave stuff and lots more exciting treasures!

WHAT IS HUNTED ANTIQUES?

HUNTED ANTIQUES is an antique, vintage & collectibles warehouse opening on December 1st 2016. If you've ever visited Waverley Antique Bazaar (11a Aristoc Rd, Glen Waverley) you'll know what to expect! Don't just think antiques! Under our roof you'll be amazed what you'll find; from art, fashion, homewares, gifts, things for the man (or woman!) cave, to rustic farm and garden items - all with a lovely vintage twist!

WHEN ARE YOU OPEN?

HUNTED ANTIQUES will be **open seven days a week** from December 1st 2016. Stay tuned for updates on our Grand Opening and some fun for our very special Grand Opening weekend!

WHAT ARE STALLHOLDERS?

HUNTED ANTIQUES will be filled to the brim with treasures from our stallholders. Stalls within the building are allocated for each stallholder who then brings in their own unique flavour and items to sell. Stalls are set up permanently and are rented by the month. We have many very long-term stallholders, so each stall is more like an individual shop - except that you can find your treasures anywhere in the centre and pay for them at our central counter in one easy transaction!

CAN I BE A STALLHOLDER?

Yes! We have spaces available for stallholders now. The warehouse will be open selected days and times for stallholder bookings from now until the official opening - check Facebook or give us a call on 0422 743 236 for times/dates. Our Stallholder Info Pack is also a great starting point if you're thinking of taking a stall, so you can get an idea of how the process works.
